

Air Jacks

When you need a jack, right here - right now!

- Internal stabilizing cylinder
- Portable, simple and safe
- Compact and lightweight
- Balanced handle for ease of positioning
- Strong, fast and efficient

SAFETY ENGINEERED
 Herkules Air Jacks lead all competitors in safety due to an internal stabilizing cylinder which minimizes side to side movement.

Unlimited applications in vehicle service shops: • Fitting Floor Stands • Frame Machine Setup
 • Wheel Removal • Brake, Suspension and Tire Work

Capacity and durability to be used in industrial and construction applications also.

Model AJ3

Quick up and down positioning. Adjusts from 7 7/8" in lowered position to 23 1/4" high including the 4" extension.

Model AJ2

Balanced handle allows for easy positioning. Adjusts from 6 1/2" in lowered position to 17" high including the 4" extension.

features and benefits

Herkules Air Jacks have designed-in features that make them the safest and best value in vehicle lifting jacks. An internal stabilizing cylinder ensures stable, solid positioning. Dual safety valves prevent both over-inflation and uncontrolled deflation.

SAFETY ENGINEERED
Safety release valve prevents over inflation.

EXTENSIONS
Extensions quickly add more lifting height to both models of Air Jacks.
AJ - 50 adds 2" of height.
AJ - 100 adds 4" of height.
AJ - PA Pinch Weld Adapter.

SPECIFICATIONS

	Model AJ2	Model AJ3
Lifting capacity (lb)	4500	4500
Lowered height (in)	6 1/2	7 7/8
Raised height (in)	13	19 1/4
Weight (lb)	33	37
Air Pressure Requirement (psi)	90 - 110	90 - 110

- **Portable**
- **Simple**
- **Safe**

herkules equipment corporation

Herkules Equipment Corporation, established in 1984, is a leading manufacturer of equipment for the automotive paint and body repair industry, having designed, manufactured and patented the first paint gun washer. Herkules also supplies Air Jacks, Infrared Curing Systems, Handling Equipment and Crushing Equipment.

In addition to our Paint Body & Equipment Division, Herkules has 3 other divisions providing leading products to other markets and applications. Visit our website to view other Herkules products serving the tire service, oil change, industrial manufacturing and material handling industries. Used in a variety of industrial and vehicle service applications, Herkules products are designed to make you work more efficiently.

In vehicle service shops, manufacturing plants and government facilities, Herkules products surpass all others in durability and low cost of operation.
