CA01 CoAgent

Quickly and effectively separate used paint from cleaning water or cleaning solution for proper paint waste disposal with CoAgent CA01 by Herkules.

Partner with the Herkules R500, with the Herkules Paint Gun Washers G510, G520 and G550, or use with other paint cleaners for effective, efficient paint flocculation.

4.4 lbs. (2kg)

Powerful Paint Coagulant

Made in the USA

Cleaning water and solution can be re-used,
thanks to CA01; tested for use with
every major brand name paint.
Only one scoop needed per cycle.

*Reduce, Re-Use & Recycle
with CoAgent by Herkules.*

Herkules Equipment provides innovative,
industry-leading products:
ergonomically-sound, customized industrial
lifts to American-made shop lifts, paint gun
washers to environment-friendly crushers
and other types of handling equipment, and
energy-saving industrial fans that
out-perform leading name brands.
