Herkules Adds E-Commerce Capabilities To Website

- Customers now able to purchase Pumps and Pump Kits on-line directly from Manufacturer -

Walled Lake, Michigan, December 7, 2016---Herkules Equipment Corporation is pleased to announce the addition of e-commerce capabilities to the company's website. The first phase of the effort has just been launched, offering replacement pumps and pump kits for direct sale to the public at <http://herkules.us/herkules/pumps>. The Michigan-based manufacturer will provide the ability to purchase replacement parts for its Paint Gun Washer product suite by the end of 2017.

"Herkules is dedicated to providing quality customer service support, and has experienced staff on-site answering questions and orders weekdays," explained Kevin Prost, Herkules Vice President and CFO. "We understand that busy shop operators might not have time to place orders during the day, which is why we felt it was imperative to provide order capabilities 24/7. We look forward to offering an ever-increasing line-up in the coming year."

Herkules has been manufacturing paint gun washers since 1985, and has many vintage models still in use today across the United States. For more information about Herkules and on-line sales, contact Herkules by phone at **800-444-4351**, email at info@herkules.us, or visit our website at www.herkules.us.

Established in 1984, Herkules Equipment Corporation is a leading USA-based manufacturer with three distinct product lines. The original Herkules supplies the Automotive Paint & Body Repair industry, having designed, manufactured, and patented the first Paint Gun Washer. The BossLifts division supports the Oil Change, and Tire Service markets with innovative lifts and air jacks. The EnKon division designs and manufactures Scissor Lift Table Systems for the assembly and manufacturing industries. Herkules products are manufactured in Walled Lake, Michigan and supported by Michigan-based customer service.
