G415 Paint Gun Washer

For waterborne or solvent paints

This industrial-sized, industrial strength stainless steel powerhouse cleans 2 guns & 2 cups or up to 4 guns a cycle, and also cleans pressure pots, hoses and even a single 5 gallon can per cycle. Features include a flow-through brush, clean rinse, timer, fume extractor and foot-operated safety lid. Use exclusively for either solvent or waterborne paint.

18"d x 25.5"w x 42"h; 87 lbs.

Three Year Pump Warranty!

Made in the USA

Every Herkules cleaning option,
all housed in a stainless steel unit.

*When you need, or want, every available
cleaning option---the G415 has it all.*

Herkules Equipment provides innovative,
industry-leading products:
ergonomically-sound, customized industrial
lifts to American-made shop lifts, paint gun
washers to environment-friendly crushers
and handling equipment that
out-performs leading name brands.
