Celebrate Summer with Great Rebates from Herkules

Walled Lake, Michigan, June 14, 2017— Temperatures might be rising, but the cost of investing in great shop equipment is trending downward, thanks to rebates on select Herkules products. Quality, customer favorite Herkules paint gun washers, carts and stands, crushers and even vehicle lifts come with cash back rebates if purchased by the end of August. These rebates range from \$15 to \$200, available on eighteen different Michigan made products, from a Flex-Table to vehicle lifts.

These Herkules products must be purchased between June 1 and August 30, 2017, and the redemption form submitted to Herkules by September 15, 2017; the rebate form and details are found at <http://herkules.us/summer-2017-rebates>.

Established in 1984, Herkules Equipment Corporation is a USA-based manufacturer with three distinct product lines. The original Herkules supplies the Automotive Paint & Body Repair industry, having designed, manufactured, and patented the first Paint Gun Washer. The BossLifts division supports the Oil Change, and Tire Service markets with innovative lifts and air jacks. The EnKon division designs and manufactures Scissor Lift Table Systems for the assembly and manufacturing industries. Herkules products are manufactured in Walled Lake, Michigan and supported by Michigan-based customer service.
