Cleaning that Hits the Spot

*Sparkle Clean Aerosol Paint Gun Cleaner
Simplifies Clean-Up with a Multi-Function Cap*

Portable paint cleaning with **Sparkle Clean**

The paint cleaner in an aerosol can, Sparkle Clean is formulated for use with either Solvent or Waterborne paints. Use Sparkle Clean to spot clean spray guns, and other paint equipment.

TWO spray stream options: Narrow OR Wide.

Each 15 ounce aerosol can has two stream options, enabling users to target a wide area, or focus on narrow chamber, with the flip of the lid.

Marked for individual sales for retailers as SC-01, Sparkle Clean is only available in a 6-can case from Herkules (SC-06).
